The PWPFSNJ mission focus for

continues to highlight military personnel and their families. Our Spring Program will spotlight The Travis Manion Foundation (TMF). which strives to unite and strengthen communities by training, developing, and highlighting the role models.

Our program speaker will be Christine Noel. Ms. Noel will share her experiences in the military, along with being a female in the United States Coast Guard and what she learned from her time serving. Additionally, she will share a bit about TMF and our mission of "*empowering veterans and families of the fallen to develop character in future generations,*" and what serving with TMF means to her.
